ANNUAL OF 1956 PENNELL INSTITUTE GRAY, MAINE

PRESENTED BY THE JUNIORS
EDITOR ALICE CASWELL
ASSISTANT NATHAN MCMINN
BUSINESS MANAGER PAUL MORRISON
ASSISTANT LORRAINE LIBERTY

As this is the first edition of the Whirlpool printed since the completion of the new addition to Pennell, we, the class of 1957 realized that the idea of building should play an important part in the planning of our yearbook. Thus we decided upon the theme of 'building for the future." Not only in the obvious sense as the word "building" is commonly used as in building objects from wood and other materials, but also in the inner sense as building body and mind. Every activity we have undertaken since birth has had a hand in shaping our future characters, personalities, and careers. Probably the most important phase of our life is the days we spend in the mind building work shop here at Pennell Institute where the impressions we receive now and the things we learn will undoubtedly follow us all through our lives. FORE

WORD

DEDICATION

This year we wish to dedicate our page of honor to the teacher of our choice, Mr. Blanchard, so that we may show our appreciation for his untiring effort and work as teacher, principal, and yearbook advisor.

Robert Mains '57 Nathan McMinn '57 In memory of Jeannie Fay Verrill the class of '57 wishes to dedicate this section of our yearbook.

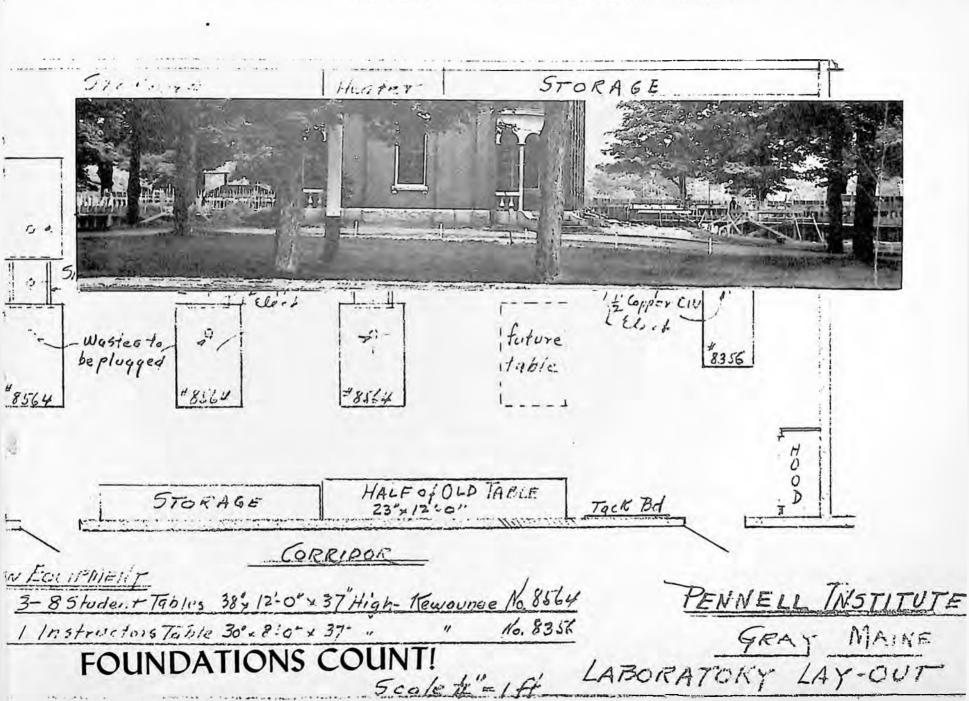

Of the sixteen short years of her life nearly five were spent with us. During that time we learned to know and appreciate her warm personality and her cheerful disposition. Her sudden passing has deeply affected us all.

PLAY

On October 27 and 28 the Senior

On October 27 and 28 the Senior Class presented a three-act comedy called "Brother Goose." The play was directed by June Freeman Long.

The play centered around the hectic life of Jeff, an architect by profession, who had the responsibility of raising his younger brothers and sisters. The story ended happily, but not without some very mixed up, amusing and lively events.

STUDENT COUNCIL

The Student Council is a traditional organization in Pennell Institute. The fourteen members were chosen by each class at the beginning of school. Each class is represented by two students and the class president.

The council meets every week using a rotating schedule. The purposes of the council are: to develop attitudes of, and practice in, good citizenship; promote harmonious relations throughout the entire school; improve the student-teacher relations; improve school morale; assist in the management of the school; provide a forum for student expression; provide or derly direction of school activities; charter school clubs and other organizations; and promote the general welfare of the school.

P. Liberty C. Libby, M. Kenney, P. Morrison, as they leave for the State Student Council Convention.

The Key Club is made up of fifteen boys chosen from the three higher classes. At Christmas, the Key Club successfully collected food, made food baskets, and distributed them to needy and shut in persons throughout the town.

Another successful project was the Polio Parkway. By permission of the State Police and town officians we set up a road block and collected \$300.66 for the March of Dimes.

> Objects of the Key Club: To develop initiative and leadership. To provide experience in living and working together. To serve the school and community. To co-operate with the school principal.

To prepare for useful citizenship, and to promote the adoption and application of higher standards in scholarship, sportsmanship, and social contacts.

THE TRIPLE C SWIMMING MEET

Pennell Institute, again this year, took part in the annual Triple C swimming meet.

Cape Elizabeth, last years defending champions, again this year took the meet. They had two men in nearly every one of the finals, and ended up with a total of forty - three points. Second to Cape came Falmouth with fourteen points. Pennell and Freeport were tied for third place with ten points each.

Again this year Pennell's star was Dave Conley, who was the only double winner in the final events. He captured the fifty yard breast stroke in thirty-nine seconds flat. In the hundred yard freestyle he left everyone behind by winning that race in 1.08.4. Dave ended up with two blue ribbons and a total of ten points, for Pennell.

PENNELL RETURNS TO CROSS COUNTRY COMPETITION

In earlier years Pennell Institute's cross country teams won many trophies for our school. But during recent years Pennell's boys have been missing from cross country competition and that sport was just revived this year. Although the boys, being unexperienced, failed to win any of the meets this year, they hope in the next few years to be able to attain the standards of our earlier teams.

JR. VARSITY SQUAD

As the season drew to a close, it was evident that the teams under the coaching of Blaine Trafton had improved a great deal. Out of the Varsity's eighteen game schedule this year, they wound up with seven wins and eleven losses and one win and one loss in the tournament.

They were the underdogs going into their first tournament game against Greely for they had already lost two games to them. Due to the boys' tremendous spirit and drive they stayed ahead and beat a surprised Greely team, but they were no match for their rival Cape Elizabeth, with their towering center and forwards in the semi-finals.

The outlook for next year looks fine for several fine J.V.'s are coming into the Varsity line-up. Next year's team will be hampered by the loss of Marvin Kenney and Jimmy Hall.

What do you suppose is going on up there?

Probably the most important contributors toward promoting our school spirit are our cheerleaders, yet many of us never stop to give them credit due. Faced with the problem of arousing more interest and good sportsmanship at the games, the cheerleaders worked hard. Both the Varsity and the J.V. cheering squads held practice nearly every night and under the direction of Mrs. Winton, their advisor, proved to be as good as last year.
